HOW I TRAIN

A generalist by design — I build clients who can do everything well: strong, balanced, well-conditioned, well-fed. Boxing is the one specialty.

FOUNDATION

- Unilateral & deep core
- The six main movements
- Movement quality first

PROGRESSION

- Speed · Agility · Quickness
- Maximal strength (PR work)
- Balance & mobility
- Boxing fundamentals

“I do it because I care.”

— JAMES MONROE
